

Temecula Valley Historical Society

(A tax-exempt charitable and educational organization)

The mission of the Temecula Valley Historical Society is to identify, preserve and promote the historical legacy of the Temecula Valley and to educate the public about its historical significance.

Your donation helps fund preservation and restoration projects that have included the placement of plaques and markers on historic buildings and sites in Old Town, the restoration of the Wolf Tomb and the restoration of a stagecoach. In addition the society provides self-guided walking tour maps of Old Town to the shopkeepers of Old Town for distribution. We have monthly guest speakers at our meetings. We organize local field trips and send various members out to the community to teach children about our local history.
